PRESIDENT MESSAGE

Letter from President Teri

The Rotary Club of Salinas, founded in 1922, has a legacy of service both locally and internationally. Our club remains strong because of the dedication of its members and their families. We are fortunate to have a diversity of vocations, ages, interests and talents, and together we continue the work started by our club founders 92 years ago. Our members have given generously to the End Polio Now campaign. We've sent medical equipment to Asia and water tanks to Mexico. We've built a playground in Peru and a plaza in East Salinas. We have an active presence at Salinas High School and Mt Toro High School. All of these projects were completed because of the members of the Rotary Club of Salinas and their commitment to improving the lives of others.

As the Downtown club, we endeavor to be especially informed and involved with activities that support the Downtown Salinas area. As the health of the Downtown area goes, so goes the health of the community. Yes, we're a Salinas Rotary Club, but we have a special role in the Downtown area.

We're continuing the legacy. We're making an impact in the community through member engagement, participation, and fun. Thank you, members of the Rotary Club of Salinas, for your unwavering support of the Rotary ideals.

It's going to be a great year!

DISTINGUISHED ROTARIAN CALENDAR HIGHLIGHTS

The Salinas Rotary Distinguished Rotarian Award is a Presidential Award presented periodically to a Rotarian who has exemplified "Service Above Self" during club service activities. In August, 2014, Felicia Perez Kausin chaired our first year Rodeo Beer Booth Experience. In addition to being on hand virtually every shift, she coordinated the required manpower, supplies, set up and tear down with a smile. The event brought Rotarians together for fun and fellowship, supported a great community event, and raised over \$10,000 for our club charitable activities. Thanks Fe (and not to be forgotten your wing man husband Ray) for your tireless efforts.

FINANCIAL SNAPSHOT

From the Rotary Club of Salinas Treasurer – Joe Grainger

The Rotary Club of Salinas operates on an annual operating budget of \$164,000 per year. This includes International and District dues, meeting room rental, catering for the lunches, part-time administrator, program costs, and other overhead expenses that allow us to run a large club. The main source of income for the club comes from membership dues, meeting day charges and missed meeting charges.

The Salinas Rotary Club Charitable Fund was established in 1996 in order for our Rotarians to make tax deductible donations for the work that the Rotary Club of Salinas does throughout the year. The Salinas Rotary Club Charitable Fund operates on an annual budget of approximately \$138,000 per year depending on the number and scope of charitable projects that the Rotary Club of Salinas takes on during the year. The main source of income for the Charitable Fund are the "Fines" levied by the President, minor & major fundraising events initiated by the Rotary Club of Salinas, and Rotary International and District grants.

Some highlights since July 1, 2014:

1. Raised over \$10,000 for the Charitable Fund by operating a concession booth at the California Rodeo events (Monster truck, Rodeo, and Brad Paisley Concert)
2. Received a District grant of \$1,500 to be used to offset the expenses of the Salinas Rotary Club Immunization day program at Dorothy's Kitchen in November.
3. Donated \$500 to the Rotary International Polio Plus Program in honor of our District Governor, Joe Grebmeier.
4. Made donations to the Community Foundation Salinas Rotary Donor Advised Fund in memory of John Struve and Dr. Harry Chong.

Rotary International Foundation - Paul Harris Fellowship donations

Individual Salinas Rotarians have collectively donated \$ 4,517 toward the Rotary International Foundation - Paul Harris Fellowship Program. Our Club goal this year is \$13,500.

What or WHO is Paul Harris?

The Paul Harris Fellowship is named for Paul Harris, who founded Rotary over 109 years ago. The Fellowship was established in his honor in 1957 to express appreciation and recognition for a contribution of \$1000 to the Rotary Foundation. This identifies the Paul Harris Fellow as an advocate of the Foundation's goals of world peace and international understanding. While it is an honor to receive a Paul Harris Fellow, it's not about the recognition; it's about what we can do in the World as Rotarians.

IN MEMORY

of those who are forever present in our hearts

Harry Chong—Joined the Salinas Rotary Club on September 26, 1950. Harry lived 102 years! While not always available to attend Rotary meetings these past few years, Harry's son, Byron, would always bring Harry to the first July meeting to celebrate his birthday and meet the new incoming President of our Club. Harry served as President of the Salinas Rotary Club for the 1960-1961 year, and be sure he enjoyed celebrating Chinese New Year during his reign.

John Struve—Joined the Salinas Rotary Club on March 20, 1979. John will most be remembered for his sense of humor. Whenever the President called upon John, a hush came over the membership in anticipation of John's droll responses. John usually denied the President's authority and often claimed to not remember the President's name. John could always get the entire membership to laugh. John was known for the Immunity Badge, awarded to him by President Don Barsotti, with which he claimed to deflect any attempt to fine him. John pretended to be frugal so a President was very proud to extract \$10 from John but behind the scenes John was very generous to the Club. The Club renamed the Immunity Badge after John and it is now raffled off to one lucky Rotarian each year.
